Dear Sirs:- The enclosed book may be useful in your library. Picked it up some years ago on account of its relation to coins.

Yours very truly

Dear Sir:

Only a few days ago I discovered that owing to an oversight, partially connected with the extended absence of mine, no acknowledgment had been sent you for the gift made to our Library recently. We are very glad indeed to have the copy of Taverne's Voyage, and I appreciate your thought in sending it to us. Please pardon our not having acknowledged it earlier.

Very truly yours,

Secretary and Librarian.
